

## Introduction-

1-A/G- The dispute between two countries in the Middle East has been rising to our screens recently. This problem has been around for around 100 years, but do you know why?

2-S/P- Today I will inform you about what is happening with Israel and Palestine

3-C/I- I will explain the territory, war, and international issues.

4-V/S- By the end of my time you will understand more about this long ongoing conflict and how it is affecting the world.

5-T- To get started, I will explain...

## Body-

### I Territory

A Chis McGreal, a writer for The Guardian newspaper, explain in his post "What are the roots of the Israel-Palestine conflict? In October 18, 2023 that

"the starting point for many people is the United Nations' vote in 1947 to partition land in the British mandate of Palestine into two states"

1 Britan mandate being followed

2 Israel not obeying it

### B Revolutions

1 Intifada

2 UN properly recognizing Palestine

### II Wars

#### A Hamas

1 Kali Robinson on October 9, 2023 in her post "What is Hamas" found on the Council on Foreign Relations website informed

"Hamas is an Islamist militant movement. It governs more than two million Palestinians in the Gaza Strip, but the group is best known for its armed resistance to Israel."

2 Chaos caused

#### B Israeli Military

1 Israeli troops

2 Bombarding

III International influence

A Refugees

1 As stated by journalists Mirna Alsharif and Yasmine Salam in their article “Why Palestinians fear that if they leave Northern Gaza, they may never return” published in October 22 2023, by the NBC newspaper

“An estimated 5.9 million Palestinians are refugees today as a result of the 1948 conflict, according to the U.N. who have called for the return of Palestinian refugees to their homes, but 75 years later, many haven’t been able to do so”

2 UN and Allies camps

B Alliances
